

AMENDMENTS TO THE SPECIFICATION

In the specification, concerning the inventors, please delete NATHAN OCKWIG from the listed inventors on this application.

In the specification, at the title, please delete the existing title and replace the deleted title with the following title after implementing the indicated changes:

METHODS AND COMPOSITIONS FOR THE ~~PREVENTION OR~~ TREATMENT OF
~~CANCER~~ ANGIOGENIC DISEASES

In the specification, at page 2, after the heading 'Background of the Invention', please delete the existing paragraph pertaining to 'Cross-reference to Related Applications' and replace the deleted paragraph with the following paragraph after implementing the indicated changes:

The present application is a continuation of co-pending U.S. patent application Serial No. 09/389,435, filed September 03, 1999, which claims the priority date of ~~co-pending~~ provisional application Serial No. 60/099,103, filed September 4, 1998, and provisional application Serial No. 60/101,759, filed September 25, 1998, the entire disclosures of which are incorporated herein by reference without disclaimer. The government owns rights in the present invention pursuant to grant number FD-U-000505 from the Food and Drug Administration, and grant number RO3-CA77122-01 from the National Institutes of Health.
